ARTWORK GUIDE

ACCEPTED FILE FORMATS

JPEG / PDF / TIFF / PSD / AI / EPS

PLEASE CONVERT TEXT TO OUTLINES, FLATTEN YOUR ARTWORK OR SEND THE FONTS WITH YOUR FILES.

COLOUR SPACE/MODE

CMYK is the standard for document printing. RGB is the standard for photo printing.

MARGINS

A 3mm bleed is required. This is achieved by adding an extra 6mm to the height & width of your file.

An additional 3-6mm margin, set inside the document bounds, further prevents important text or imagery being lost during cutting.

FILE SIZE & RESOLUTION

Images submitted for print should be no less than 300dpi.

With photos, please ensure the image is a minimum of **1,000 pixels** in height and width.

This ensures the image quality is suitable for editing and photo-quality printing.

Banner artwork should also be supplied at **300dpi at 25% scale** or **150dpi at 100% scale**.

REMEMBER...

WE CHARGE FOR ARTWORK EDITING/ADJUSTMENTS.

SUBMIT YOUR FILES VIA INFO@DAPS-ONLINE.COM or:
